Re: 5th Year Adjustment – Rent Comparability Study
Colonial Village (the “Project”)
Section 8 Number:

Dear Muriel,

As outlined in the Renewal HAP contract for the above site, in Section 5b(2)(b) Contract rent adjustments:

“At the expiration of each 5-year period of the Renewal Contract term, the contract administrator shall compare existing contract rents with comparable market rents for the market area. At such anniversary of the Renewal Contract, the contract administrator shall make any adjustments in the monthly contract rents, as reasonably determined by the contract administrator in accordance with HUD requirements, necessary to set the contract rents for all unit sizes at comparable market rents. Such adjustment may result in a negative adjustment (decrease) or positive adjustment (increase) of the contract rents for one or more unit sizes.”

Should you have any questions regarding the rent adjustment request, please do not hesitate to contact Matthew Kim at (646) 767-4439 or makim@related.com.

Re: 5th Year Adjustment – Rent Comparability Study
Colonial Village (the “Project”)
Section 8 Number:

Dear Muriel,

Enclosed please find the owner’s Rent Comparability Study (RCS) for the subject property. This RCS is being submitted, as required by HUD for the Section 8 HAP contract renewal.

This letter is also to certify to each of the following items, as required by the Section 8 Renewal Policy:

1. I have reviewed the content of the RCS and concluded that the RCS includes all material required by Chapter Nine and the Owner’s Checklist in Appendix 9-2-2.
2. The RCS appraiser’s (Aaron M. Zabel, Belfry Valuation, LLC) narratives and Rent Grid accurately describe the subject project and properly treat non-shelter services and their funding sources as required by Section 9-12 and Appendix 9-1-1.
3. There is no family relationship or identity-of-interest between the principals of the subject’s Ownership or management agent entity and the principals that manage/own the projects used as comparables.
4. I certify that: a) neither the selection of the RCS appraiser nor the RCS appraiser’s compensation was/is contingent upon the RCS appraiser reporting a predetermined rent nor direction in rent; and b) to the best of the Owner’s knowledge, the RCS appraiser meets Section 9-8.A.’s conditions regarding absence of financial, employment, and family relationships.
5. I certify that the fee paid for the RCS is the only compensation the RCS appraiser will receive for the RCS work and there is no side agreement or other consideration.
6. The following person is our point of contact for HUD/CA’s decision letter, or to address any questions that the HUD/CA staff may have on the RCS:
7. Matthew Kim
makim@related.com
(646) 767-4439

azabel@belfryvaluation.com

9. I certify that if I discontinue any service to tenants at this property which forms the basis of a rent adjustment in this RCS, I will inform HUD in writing within 30 days of the termination of that service.
10. I, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. Respectfully Submitted,

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This collection of information is authorized under Section 207 of the National Housing Act. The information is necessary for the Department to ensure that project owners are not overcharging their tenants and to ensure that the rent levels approved by the Department are not exceeded. The Department uses this information to enforce rent regulations which otherwise would be difficult because there would be no clear record of the rents and charges that the Department had approved. In addition, the Department needs to periodically collect information regarding project principals, so unauthorized participation by previously excluded or otherwise undesirable owners can be detected. This information is required to obtain benefits. HUD may disclose certain information to Federal, State, and local agencies when relevant to civil, criminal, or regulatory investigations and prosecutions. It will not be otherwise disclosed or released outside of HUD, except as required and permitted by law.

Instructions

All project owners must submit the form HUD-92458 when requesting an adjustment to project rents. HUD establishes and approves rental charges and utility allowances on the Form. The owner is responsible for notifying tenants of the approved rents.

General. For projects with fully-insured or HUD-held mortgages, the owner/agent submits this Form to the HUD Field Office. For projects with coinsured mortgages, the owner/agent submits this Form to the lender.

Part A. If the monthly rent potential you are proposing is less than or equal to the Maximum Allowable Monthly Rent Potential approved by HUD/lender on your original Rent Formula or on your most recent Rent Computation Worksheet, complete all of Part A according to the instructions below. If the monthly rent potential you are requesting exceeds the Maximum Allowable Monthly Rent Potential approved by HUD/lender on your original Rent Formula or on your most recent Rent Computation Worksheet, complete only Columns 1 and 2 according to the instructions below. Show your proposed rents and monthly rent potential in the cover letter transmitting your rent increase request.

Column 1. Show each type of unit for which rents will vary. Show the number of bedrooms and bathrooms and other features that cause rents to vary (e.g., 2 BDM, 1 B, DA, KETTE, vs 2 BDM, 2B, DR, K). Use the following symbols:

BDM	- Bedroom	LR	- Living Room
B	- Bath	DR	- Dining Room
K	- Kitchen	DA	- Dining Alcove
KETTE	- Kitchenette		

Column 2. Show the number of units for each unit type. Include non-revenue producing units.

Column 3. For unsubsidized projects, show the rent you intend to charge for each unit type. For subsidized projects, show the contract rent (as defined in HUD Handbook 4350.3) for each unit type.

Column 4. For each line, multiply the contract rent in Column 3 by the number of units in Column 4. Add monthly contract rent potentials for each unit size to compute the total monthly contract rent potential. Multiply the monthly total by 12 to compute the annual contract rent potential.

Columns 5 and 6. Complete the Columns only if the project has a subsidy contract with HUD and some utilities are not included in the rent. In Column 5, show the utility allowance for each unit type. Compute the gross rent for each unit type by adding the contract rent in Column 3 and the utility allowance in Column 5. Show this amount in Column 6.

Columns 7 and 8. Complete these Columns only if the project is receiving Section 236 Interest Reduction Payments. In Column 7, show the market rent for each unit type. In Column 8, for each line multiply the market rent in Column 7 by the number of units in Column 2. Add the monthly market rent potentials for each unit size to compute the total monthly market rent potential. Multiply the monthly total by 12 to compute the annual market rent potential.

Parts B, C, D and E. Complete these Parts according to the instructions on the Rent Schedule.

Part F. Do not complete this Part. The HUD Field Office/lender will complete this Part.

Parts G and H. Complete these Parts according to the instructions on the Rent Schedule.

Part I. Do not complete this Part. The HUD Field Office/lender will complete this part.
